## Women & Children's Services

The Women & Children's Services at Marin General Hospital provides comprehensive healthcare for women and their children. Our knowledgeable and friendly staff are dedicated to providing families with services that are sensitive to meeting individual needs.

The facility is conveniently located in Central Marin with lovely views of Mt. Tamalpais and the Corte Madera Creek.

The labor rooms are spacious, comfortable and provide many amenities for the family. Our personalized care includes high-tech fetal monitoring. In addition, we offer high-touch and high-tech pain management, delivery and infant care.

Our state-of-the-art facility includes:

- **Labor & Delivery Department** for women desiring natural birth or those requiring a higher level of care. We work in coordination with California Pacific Medical Center and the University of California San Francisco Children's Hospital to provide the highest quality care for you and your family.
- **Postpartum and Newborn Nursery** for mothers and infants for building a healthy beginning and a strong family.

- **Level II Neonatal Intensive Care** for infants requiring a higher level of care to meet their specialized needs.
- **Lactation Center** providing a full range of support services for mothers and breast-feeding infants.
- **Pediatrics Department** for children age 0 to 18 who require specialized care for illness, trauma or surgery.
- **BabyNook Store** providing the necessary equipment and supplies for successful breastfeeding and a full range of newborn clothes and accessories.

*continued*

The Neonatal Intensive Care and Pediatric Departments feature the latest technology for safe and effective care. The Pediatric Department also features a large playroom for the comfort and development of children.

Our experienced, knowledgeable and caring staff includes:

- Specialty-trained Registered Nurses
- Specialty-trained Obstetric Technicians and administrative staff
- Board certified obstetric, neonatal and pediatric physicians
- 24/7 in-house Obstetric hospitalist physicians
- 24/7 in-house Neonatal/Pediatric hospitalist physicians
- 24/7 in-house Anesthesiology physicians
