“Patient Selection For Robotic Surgery”

FACULTY:

Leslie Kardos, M.D.

Board Certified in Obstetrics and Gynecology; Chief of Gynecology and Director of Gynecologic Robotic Surgery, California Pacific Medical Center; Official Proctor for Intuitive Surgical da Vinci Minimally Invasive Robotic Procedures

8:00 A.M.-9:00 A.M. – Presentation

The presentational method for this activity will be lecture and Q&A period. This activity is geared to meet the educational requirements of obstetricians/gynecologists. All specialties are invited and welcome to attend. This activity will encompass the following desirable physician attributes: Patient Care, Medical Knowledge, and Professionalism.

LOCATION:

MARIN GENERAL HOSPITAL ~ Conference Room C
250 Bon Air Road, Greenbrae, CA 94904

Desired Outcomes: *At the conclusion of the activity, participants should be able to:*

1. Competence: Compare the advantages and current limitations of robotic surgery versus other procedural approaches
2. Competence: Assess patients to determine if they are appropriate candidates for robotic surgery
3. Knowledge: Recognize accepted contraindications to robotic surgery
4. Competence: Utilize the information learned relative to cultural and linguistic competencies relevant to patient selection for robotic surgery

This activity has been planned and implemented in accordance with the Institute for Medical Quality and the California Medical Association's CME Accreditation Standards (IMQ/CMA) through the Joint-Sponsorship of CME Consultants and Marin General Hospital. CME Consultants is accredited by IMQ/CMA to provide continuing medical education for physicians. CME Consultants takes responsibility for the content, quality and scientific integrity of this CME activity.

CME Consultants designates this educational activity for a maximum of 1.0 *AMA PRA Category 1 Credit*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education.
